

Advent Activity Calendar

24 little things to do together, one for every day from December 1 to 24

You need

- this printout, on thicker paper if you have it
- scissors
- 24 small bags, envelopes or one jar

How it works

1. Cut out the 24 cards and the 24 number labels.
2. Fold each card once and put it into a bag or envelope; stick on the label with the same number.
3. Hang the bags on a string or put them in a basket - or drop all the folded cards into one jar.
4. Every day in December, open the next number and do it together.

Tip: busy day? Swap the card with a quieter one. Nothing here needs a screen or costs money.
