

Christmas Escape Room

Ages 6–10 · about 60 minutes · 1–6 players

How it works

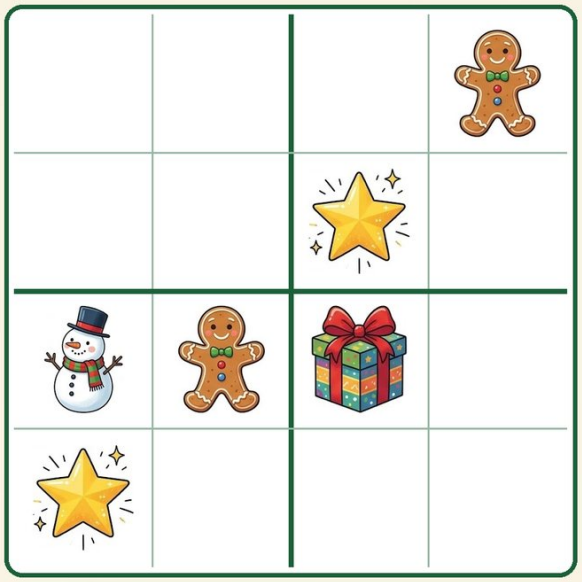

1. Print all pages on A4 or US Letter. The last two pages are the answers - keep them for the grown-ups.
2. Solve the puzzles in any order, alone or as a team. Most of them give you a secret word.
3. Use a pencil: some puzzles need a few tries.
4. Check every answer on the answer pages - or hide the secret words as clues for a treasure hunt.

7. Secret Picture Writing

Each picture stands for one letter - look it up in the key below and write the word.

8. Phone Code
